

Dear Parents,

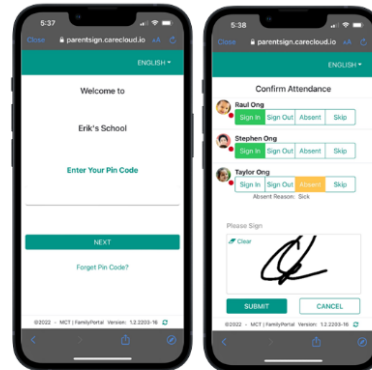

You can now use CareConnect scanning to sign in/out your children from your mobile devices! See below instructions:

1. Your PIN will be sent to you via Email or Text

2. Scan the QR Code

3. Enter your PIN and Sign In/Out your children

Why is this great?

- **Fast:** No more waiting in line to sign-in on paper or a tablet. You can also sign-in and out multiple siblings at the same time.
- **Flexible:** If you don't have your phone, you can still use the Parent Kiosk device that is set up by your provider to sign in or out.
- **Contactless:** Keep contact to minimum and meet CDC recommended guidance for childcare program health and safety compliance.
- **Secure:** Only approved guardian with a valid PIN code can pick up or drop off.
- **Approved:** Meet child licensing requirement and childcare agency's compliance regulation.
